VEHICLE UNLOADING

ALL vehicles entering the fairgrounds may be subject to search. Expect delays.

Pre-Fair Service Gate - Enter to receive pass to unload on grounds. You will be allowed one hour to unload and exit grounds. Your pass will be date/time stamped. If you absolutely cannot complete your unloading in one hour, you must get the pass validated by a department superintendent or administrative person. Vehicles parked illegally or with expired permit may be subject to towing.

Parking Fine - If you take longer than one hour and do not have validation for an extension, there is a parking fine of \$10.00 per hour,

During Fair Time - Vehicles will be allowed through the Service Gate between 7:00 am and 8:45 am with a Service Gate Vehicle Permit. You will receive your gate permit from the attendant at the gate. NO vehicles are allowed through the gate after 8:45 am. All vehicles must be off the grounds by 9:00 am. Vehicles left unattended and without a permit for parking past the allotted time will be towed away. **HANG PERMIT ON YOUR REAR VIEW MIRROR SO YOU CAN BE FOUND IN AN EMERGENCY.** Include the building where you can be found. Please unload quickly and get your vehicle off the grounds.

2013 Veterinarian Information: Livestock from WITHIN Washington State

EXHIBITION LIVESTOCK HEALTH REQUIREMENTS INCLUDE MANY CHANGES. PLEASE READ CAREFULLY.

The following are the minimum animal health requirements for the Washington State Fair including cattle, goats, sheep, llamas, horses, swine, pigeons, poultry, rabbits and cavies originating within the state of Washington. The Fair will have official veterinarians available for animal health care.

1. Individual Certificate of Veterinary Inspections on Washington animals is not required for entry into the Fair.
2. No animal from a quarantined area or premise may be permitted to enter the Fair or show.
3. OUT-OF-STATE ANIMAL ENTRIES MUST COMPLY WITH STATE OF WASHINGTON IMPORT REGULATIONS. NO EXEMPTIONS UNLESS EXEMPTED BY RULE.
4. Fair veterinarians will inspect all classes of livestock and poultry (including, but not limited to cattle, swine, horses, pet animals, rabbits, fur-bearing animals, pigeons, ducks, geese, turkeys, etc.) before they are permitted access into the barns to determine that the livestock and poultry show no clinical indications of contagious, infectious diseases and ectoparasites.
5. Fair veterinarians will reject any animal with infectious or contagious diseases or ectoparasites. Exhibitors should be made aware that ringworm, warts, pinkeye, strangles, contagious ecthyma, scabies, lice, mites, ticks and fleas fall into these categories.
6. Animals exhibiting disease symptoms during the course of the Fair will be removed from the exhibit areas and either be sent home or kept in a quarantined area.

7. It is strongly recommended, but not required, that cattle be vaccinated in the current show year against respiratory diseases. Any cattle going to the Fair should have adequate protection against IBR, BVD, PI3, and BRSV. Killed products need appropriate booster to have maximum benefit depending on what vaccines have been given in the past. In addition, they should have five-way leptospirosis and eight-way clostridial protection. It also doesn't pay to buy the cheapest product available. There is a difference in vaccines. The intranasal product is suggested, whether or not it will protect for MCF, it will give IBR protection.

8. The Fair veterinarian's professional decision as to the health status of an animal will be final and will be upheld by the Fair board.

9. Animals and birds not intended for exhibition will be denied entry to the grounds. Please leave your pet at home for its own protection, with the exception of guide/service animals. They should be properly protected against infectious and communicable diseases as indicated for exhibit animals.

10. The Washington State Fair requires all goats and sheep to be tagged or tattooed with Scrapie Identification.

11. All sheep will be inspected with blankets removed before allowed entrance to the barns.

Please remember that E.coli 0157:H7 infection can be transmitted by contact with animals. Youngsters, seniors and immune impaired persons are particularly susceptible. Handwashing facilities are available and should be used wherever human-animal or animal waste contact is possible, and signage directing the public to those facilities is visible throughout the barns.

MISSION STATEMENT

To promote Washington agriculture, economic growth and ecology, we will showcase FFA student efforts and leadership through The Washington State Fair. We will provide a positive experience for the FFA members and the public.

AIMS AND PURPOSES OF

THE WASHINGTON STATE FFA EXHIBITION

It is the goal of the Washington State FFA Exhibition to produce a setting for FFA Members to feature and display for the public, agriculture related projects completed in their agriculture and related classes or their Supervised Agricultural Experience projects. The objectives of the Washington State FFA Exhibition are:

1. To promote and develop leadership skills for the leaders of the 21st century.

2. To feature and display agriculture products from our programs including livestock, mechanics, plants, natural resources and related educational materials.
3. To help in the training of youth through educational contests, displays and demonstrations.
4. To promote the agriculture industry and rural living and their interaction with the urban community.
5. To promote wholesome, worthwhile educational and entertainment activities for the interest of all people.
6. To institute and carry out both short and long-range planning.
7. To present, for public viewing, a well-balanced and wide variety of exhibits and displays.
8. To feature the rich agricultural heritage and diversity of our state.
9. To conform with rules and regulations as set forth in the Washington State Department of Agriculture Fairs Laws.

2013 GOALS OF THE

WASHINGTON STATE FFA EXHIBITION

1. Strive for excellent exhibits and demonstrations.
2. Promote and preserve the positive image of the FFA.
3. Measurably increase the level of sponsorship for the exhibition awards.
4. Increase statewide participation in the Exhibition.

WASHINGTON STATE FFA EXHIBITION

The Washington State FFA Exhibition is one of nine fairs in the State of Washington devoted entirely to youth. The Exhibition activities are sponsored by the Agriculture and Renewable Natural Resources Education Section, State Superintendent of Public Instruction and Washington Association of FFA. Facilities are provided by the Western Washington Fair Association. Activities are supported by state funds. These fairs and youth shows

exemplify agricultural life in our state and allow youth to develop the leadership capabilities that are desperately needed today.

GENERAL EXHIBITION RULES

1. All FFA members with poultry entries should refer to the Washington Junior Poultry Exposition Premium List for entry information.
2. Use the entry forms in the back of this book.
3. Entries must be clearly and neatly marked with the current year's Classes and Lots and be projects or activities of bona fide FFA members from Chapters in good standing. Except for chapter displays, and special events, entries shall be in the names of individuals. Illegible entry tags may be disqualified. **Premium moneys for Chapter displays & contests shall be awarded to the respective Chapters.**
4. Exhibitors must follow all directions pertaining to the composition and display of their exhibits.
5. The Washington State FFA Exhibition reserves the right to withhold premium payments from any exhibitor holding outstanding bills incurred during the fair or from any exhibitor or contestant conducting himself/herself in a manner unbecoming to the FFA. Unbecoming conduct includes potentially dangerous actions or actions that present a safety concern or risk, such as riding in or on livestock trucks or trailers, "horseplay", or any activity whose sole purpose is

to humiliate or potentially injure others. This conduct may result in lost premiums and possibly not being allowed to participate in future exhibitions.

6. FFA members must follow and are under the rules of the local school district, and during the FFA Exhibition must follow special rules pertaining to the Exhibition.
7. FFA members must follow the FFA Code of Ethics as spelled out in the official FFA manual.
8. Students are prohibited from sleeping and/or lounging in or about stall areas.
9. Swearing, cursing, cussing and other use of "strong language" by a student is prohibited.
10. Use of tobacco or illegal substances while wearing official FFA clothing is prohibited.
11. Disciplinary Action: Students out of compliance with the rules of the exhibition will be first dealt with by the advisor or his/her designated parent or chaperone. If this action does not remedy the situation, then the responsible supervisory person shall deal with the issue. Any difficulty beyond this point shall be dealt with by a state staff person.
12. Premium checks of \$2.00 or less will be paid to the Chapter.
13. All exhibits are entered at the sole risk of the exhibitor.
14. Posters shall be entered in the Educational Materials Division.

NEW IN 2013 (CHANGES ARE IN BOLD)

- The Landscape Theme for 2013 is "Raised Beds or Container Gardening".

DAIRY AND LIVESTOCK DIVISIONS

RULES AND REGULATIONS

1. Unless otherwise stated, exhibitors are limited to three entries per lot for single animal entries, two entries per lot for most group classes, but one entry per lot for best two, best three, young herd and young flock.
2. Entries are open to purebred and high-grade stock fitted by Washington FFA members and must be part of the students or chapters S.A.E. project. All entries are to be approved by the local agriculture instructor and must pass inspection by a sifting committee. Exhibits will be accepted only from active chapters of FFA. Animals must be trained, clipped and in show condition.
3. See Calendar of Events for entry deadline.
4. All FFA members, as defined by the current official FFA manual, and students regularly enrolled in Agriculture Education, shall be eligible to show animals. A student may show until November 30th following the fourth National FFA Convention after graduation from high school.
5. Animals acquired (leased or purchased) less than 60 days before the show are not eligible. Sheep purchased at an approved Junior Show/Sale can be shown at the FFA Exhibition. Exhibitor must show his/her own animal except when he/she has more than one animal in a class.
6. Exhibitors of purchased or leased animals must provide a signed and dated copy of the purchase receipt or lease agreement upon request.
7. There are no entry fees. Bedding and hay will be furnished. Exhibitors must provide grain. Un-opened bales of hay and straw shall not be removed from the grounds at the end of the Fair.
8. The FFA Exhibition will follow the guidelines of the Memorandum of Agreement between the Washington State FFA and the Washington State 4-H as to the showing of animals in both 4-H and FFA. This states that FFA members may also exhibit projects in 4-H providing that they are different exhibits or animals.
9. Superintendent Duties (all divisions):
 - a. Recommend judges for their Divisions
 - b. Be present and receive entries during the entire published haul-in time.
 - c. Check Entry Tags for legibility, correct class/lot and completeness
 - d. Be present when exhibits are judged. Assist the judge by organizing show area, presenting ribbons and recording judge's placings.
 - e. Deliver the judge-approved show results to the Manager for safekeeping
 - f. Select Division Chapter and Individual Outstanding Exhibitors
 - g. Help coordinate release of exhibits.
 - h. Check appearance of exhibits whenever possible. Show management will write a request to school administrators for services of FFA Superintendents, when requested.
 - e. Work with the students on herdsmanship, making sure that all chapters are keeping their areas in Blue Ribbon condition.
 - f. Judge Herdsmanship in their own and other areas as needed.
10. Judging and awards will be on the Danish System, except as noted. Cash awards will be made on the point system. The judge has the right to disqualify any animal **and to change the "Lots" of exhibits based on the age of the animal as determined by the teeth structure.** Animals not properly fitted and trained for showing will be rejected.
11. Stall cards will be furnished by the Washington State FFA Exhibition. Information must be printed neatly.
12. Dairy exhibitors shall follow the Fair Milking Parlor Rules at the front of the book.
13. Vehicles must be off the fairgrounds by 9am. during the Fair
14. There will be no horns on dairy animals unless allowed by breed standards. **ALL HORNED BEEF ANIMALS MUST HAVE HORN PROTECTORS.**
15. If a student is asked to use his/her animal in the judging contest he/she must comply.
16. Chapters are responsible for bringing their own brooms, pitch forks and shovels.
17. Chapters must provide a divider between bovine tack area and animals. Hay and straw must not be stacked up as a divider.
18. All judge's decisions are final. Protests must be made in writing accompanied by a fee of \$10.00 and filed with the manager within 24 hours after the cause of the protest. The fee will be forfeited if the claim is not substantiated. A meeting will be held with the exhibitor, advisor, division superintendent and manager only.
19. Beef and dairy cattle must be double tied.
20. Exhibitors must show an animal in fitting and showing in each division in which they are entered. ("Special" animals excepted)
21. Show rings will not be held for exhibitors with schedule conflicts (i.e. both sheep and swine at the same time).
22. Members of Chapters who receive less than 75% average score on herdsmanship will lose their premium money for that Division. Affected Advisors (or responsible parents) will be notified by the third day of the show if their chapter is not meeting the standard.

23. Students must be in official dress for both type and fitting and showing or they cannot receive a blue ribbon. Species appropriate footwear shall be worn.
24. Animals must be properly fit for both fitting and showing and type.
25. Sheep must not have halters or choke chains on in the show ring.
26. There will not be a vet available 24 hours.
27. Exhibitors must not leave animals tied on wash racks unsupervised.
28. Exhibitors must not feed hay on the wash racks
29. Exhibitors must clean wash racks after use.
30. Beef and Dairy animals shall not be intermixed in the stalls.
31. Animals may not be walked across, on or off the fairgrounds because of serious environmental concerns directly related to animal waste. All animals shall be transported to and from livestock barns in a solid bottom truck or trailer.
32. Exhibitors will be paid on only one entry of "Best Two, Three, Young Flock or Young Herd"
33. Except for holding animals in group classes, exhibitor's parents and spectators are not allowed in the show rings during the shows.
34. FFA livestock entries shall be stalled in the FFA Barns unless otherwise directed.
35. Cow/calf beef entries cannot be shown separately.
36. "Other Goat" aged does must have kidded.

MARKET SWINE

Exhibitors will be permitted to show two single hogs and one pen of three. A single entry may not be taken from a pen of three.

1. In single classes hogs weighing between 225 pounds and 300 pounds will be eligible to compete.

2. Pen of three hogs will be qualified if the average weight is between 225 and 300 pounds inclusive. No individual hog within the pen can weigh less than 225 pounds or over 300 pounds.
3. Only barrows and gilts will be eligible to be shown.
4. Each swine exhibitor must own his/her show animal by June 15 of the show year and give them personal care and supervision from that date on.
5. At the discretion of the swine committee, any hog will be disqualified from the show if it shows evidence of pigginess, scars, hernia, foul sheath, sores and bruises, cryptorchidism and any blemishes that would impair the cut out carcass.
6. Hogs weighing 224 pounds and under will be entered as feeder hogs.
7. Feeder hogs must weigh:
 - Prospect Hogs – 50-124 lbs.
 - Light Feeder Hogs – 125 to 174 lbs.
 - Heavy Feeder Hogs - 175 to 224 lbs.

There will be no breed classes for market or feeder hogs.

Hogs will be classified into market grades and placed within the grade. Ribbons will be used to designate the grades as follows:

- U.S. No. 1.....BLUE
- U.S. No. 2.....RED
- U.S. No. 3.....WHITE

The judge will use his/her criteria for grading U.S. No. 1, 2 or 3.

Judge may place hogs into lots if needed.

Anything below a No. 3 grade is not eligible for a ribbon.

This applies to both single and pens of three hogs.

Feeder and Prospect pigs will have ribbons placed based upon their potential for grading U.S. No. 1, 2 or 3.

ROUND ROBIN

Wyatt Zuber – Superintendent

In order to develop a greater understanding of showmanship of all aspects of livestock, the division fitting and showing champions (no reserve champions) are encouraged to participate in the Round Robin. Divisions in the Round Robin are Dairy, Beef, Swine, Dairy Goats, Other Goats, Sheep and Rabbits. Scoring criteria will include the quality of appearance and the answers to judges questions. Exhibitors are responsible for the security of their exhibits. Neither the Western Washington Fair nor the FFA Exhibition will accept responsibility for loss or injury to the exhibit.

**HERDSMANSHIP
CONTEST**

Kendra Meek – Superintendent

This contest is to encourage better care and display of animals in the barns. All chapters with animals on display will enter this contest. Judges will examine the displays at least twice each day at any time they wish. At least one exhibitor shall be present with each chapter exhibit from 9 a.m. to 9 p.m. daily. Clean up is to be completed by 9 a.m. each day. Chapters who share herdsmanship duties, will not be penalized by another Chapter's herdsman's score. Members of Chapters who receive less than 75% average score on herdsmanship will lose their premium money for that Division. Advisors (or responsible parents) will be notified by the third day of the show if their chapter is not meeting the standard. Herdsmanship is the presentation of animals to the public. It is a display by itself. It encompasses the stall, the animals and their care, equipment and tack as well as the exhibitors.

Chapter tee shirts may be worn instead of FFA jackets for Herdsmanship.

Manure bins will be supplied by the Fair.

EDUCATIONAL MATERIAL DIVISION

Marie Page, Tahoma – Superintendent
Jan Coluccio, Tahoma - Assistant Superintendent

In order to help the public better understand agriculture, it is a requirement that all chapters have educational

display material related to their animals either above or around the chapter exhibits. Each chapter exhibit area (beef, sheep, etc.) will be given premium points based on the Danish system of scoring.

The top three placings in overall chapter educational displays throughout the barns will be given plaques in addition to premium points.

Optional Chapter Promotion Displays and Presentations are judged on their attractiveness, and description of chapter activities and accomplishments. One per Chapter.

Exhibitor's first and last name (not initials) and full chapter name (not initials) must be clearly and neatly printed on the back of the entry, AND on the Exhibit Tag or item will be disqualified. The tag shall be attached to the lower right hand corner. Exhibitors are responsible for entering items in the correct lot. Illegible or incorrect tags will result in disqualification.
6. All materials must be prepared by the student. Classroom aid by teachers is permitted.
7. All entries are exhibited at the exhibitor's risk.
8. All entries will be screened by a sifting committee for the following standards:

- **Applicable Lot**
- **Correct size and material.**
- **Correct spelling** (if unusual words are used, it is recommended that a notation be made on the back of the exhibit.
- **Correct grammar.**
- **Readability.** Posters must be readable from 15 feet. There is no "readability distance" for Story Boards or Photo Essays or Instruction Books. "Readability" is a subjective area, and refers to the overall "reader friendliness" or "quality" which includes, but is not limited to color, lettering style, penmanship, placement in relation to the graphics, neatness, and letter size.
- **Identification of the source of fact(s) and artwork presented. Title, author, publication and date is required.**

9. Decisions of the sifting committee and/or judges are final. Protests must be made in writing and accompanied by a fee of \$10.00, which will be forfeited if the claim is not sustained, and filed with the manager within 24 hours after the cause of the protest. A meeting will be held with the exhibitor, advisor, division superintendent and manager only.
10. Fair Management reserves the right to disqualify any projects that do not meet the quality standards of the Fair. Incomplete work will be disqualified.
11. Entries are accepted on the day at time shown on the Calendar of Events in the front of this book. Materials should be brought to the FFA Office. Late entries will not be accepted.
12. Entries will be displayed as space allows.
13. Non-displayed materials will be sorted by chapter and may be picked up by the advisor anytime the office is open from Thursday afternoon until Saturday evening. It is highly recommended that advisors pick up the materials as soon as possible. Non-displayed materials will again be

available for advisors' pick up on Sunday, following the awards ceremony at approximately 7 p.m. Non-displayed materials not collected by 10 p.m. will be discarded.

14. Displayed materials may be removed from the display area on Sunday, following the awards ceremony at approximately 7 p.m. Materials not removed from the display area by approximately 8 p.m. will be removed and returned to the FFA Office. If time allows, they will be sorted by chapter. Advisors may pick up the materials until 10 p.m.. Materials not collected by 10 p.m. will be discarded.
15. Posters will be judged on the Danish System with Blue, Red and White ribbons* awarded. Champion, Reserve Champion and Grand Champion ribbons may be awarded in each category and/or overall at the judge's discretion. * Ribbons will be in sticker form.

POSTERS

1. A Poster is like a billboard: very few words with a strong visual message. It is strongly recommended that a poster have no more than 25 words.
2. It is highly recommended that lettering be in clear, dark print of at least one inch in height.
3. Posters must be easily read from 15 feet. If exhibit is judged to be unreadable from 15 feet, the item will be disqualified.
4. Posters will be entered on 22"x28" Poster Boards of any color. Any other size will be disqualified.
5. Lamination is preferred, but not required. If a poster is laminated, the excess laminate material must be neatly trimmed to not exceed the size of the poster by more than 1 inch.
6. Posters should be "consumer oriented". The message should be something that a consumer (in this case, the average fairgoer) would be interested in knowing and/or learning.

STORY BOARDS

1. A Story Board is four to eight visual images (not including photographs) that tell a story.
2. Story Boards will be entered on Tri-Panel Display Boards of any color only.
3. There is no "readable from" requirement; however lettering should be large and clear enough that the story board can be easily read.

PHOTO ESSAYS

1. A Photo Essay is eight to twelve photographs that tell a story.
2. Photo Essays will be entered on Tri-Panel Display Boards of any color.
3. There is no "readable from" requirement, however lettering should be large and clear enough that the story board can be easily read.
4. For photo essays, mechanical or computer-aided artwork is defined as digitally enhanced or manipulated photos.

INSTRUCTION BOOKS

1. An Instruction Book is a loose-leaf or bound book (up to 8 1/2" X 11") that shows the processes of making something agriculture related.
2. The Book will have a cover that clearly describes the content and identifies the author.
3. The Instruction Book will contain both photographs (or art), and text that clearly describe the key elements of designing, making and displaying the subject. It will include a list of all the materials and supplies needed to complete the article(s).
4. The Book will be judged on spelling, grammar, clarity, organization and overall workmanship.

AGRICULTURAL MECHANICS DIVISION

The Washington State Fair has designated space to be used by the FFA to show their efforts in the building, assembling and repairing of agricultural machinery and equipment. Entries must have been built or repaired by a member of an agriculture education class.

1. Exhibits shall be brought in on the date and time shown on the Calendar of Events in the front of this book.
2. Exhibits must be removed during haul-out
3. All entries must be the handiwork of agriculture education students who are active FFA members during the current year and entered in their names.
4. Projects must be complete.
5. Projects may be shifted from one lot to another at the discretion of the division superintendent based upon size and/or complexity.
6. Batteries are to be disconnected from power driven projects.
7. The Danish system will be used in judging the mechanics exhibited.
8. All entries must be neatly and clearly marked with entry tags and display cards obtained from Division Superintendent.
9. Chapters may asked to help assist in the exhibit area.
10. Giant construction includes an entry such as a stock trailer, hay trailer or equivalent.
11. The Ag Mechanics Superintendent and/or Fair management will disqualify projects that do not meet standards of quality workmanship that proudly represent the FFA program.
12. All displays will be attractive, technically correct and educational to the public. Each project (or group of similar projects) must be agriculture related.
13. Entries will be screened for quality and appearance when entered. Screening will be based on the same score card as used for judging.

14. The recommended size for display boards is 1' x 2'. Chapters are responsible for their chapter display board arrangements. Display stands are mandatory and are to be provided by the chapter.
15. Welding Display Boards are to be captioned and labeled to identify the process and weld type demonstrated on each board, and each group of entries is to include a display poster that explains the significance of the processes demonstrated.
16. Welding Display Boards are in two lots.
Lot G: Large Display Boards (five items) require 3 processes represented and demonstrate 5 different skills.
Lot H: Small Display Boards (three items) is limited to three skills using one process.
17. Electrical boards must meet state standards and all connections on electrical boards must be clearly visible to the judge.
18. Chapters who enter more than 10 items of the same lot or theme, i.e., 10 welding boards, 10 knot boards, etc. must include a Display Card with each group that is prominently displayed in order to qualify the entries for premium points. The Display Cards will be furnished by the FFA Exhibition. They identify the exhibits for the public, and describe their importance or relation to agriculture. **Display Card sample is shown at the end of this book.**
19. Large Exhibits may be exhibited outdoors, depending on available space.
20. All entries are exhibited at the exhibitor's own risk.
21. Each exhibitor will be paid on no more than two entries per lot.

CHAPTER DISPLAY

Forestry, Natural Resources, Aquaculture, Soils projects will be attractively arranged in one major centrally themed chapter display. The display will be designed to promote education of these industries to the public. Each display will exhibit a variety of different student and class projects oriented around one central theme. The theme must represent one section of the Forestry, Natural Resources, Aquaculture, Soils industry and will be chosen by the individual chapter (i.e.: Water Pollution Prevention; Logging Practices; Urban Wildlife Management and Urban Forestry). Although size of display area may vary, chapters can plan on a display of 8'x 12'. Each display should have a sign informing viewer of display's theme.

1. Each chapter will be required to display its exhibits to promote education of the public. Please let the manager or superintendent know about chapter displays before the Fair.
2. Premium points will be awarded to the chapter for the display.
3. Display shall be constructed in the space allocated by management.
4. Chapters are limited to one entry.

5. Chapter will supply all materials.
6. Display will be made up of entries by chapter members. Entries may contain articles which have been used in previous exhibitions. However, the overall exhibit shall be original each year.
7. Small trees, forestry items and tools may be used in display to add to overall attractiveness, interest and theme of the display.
8. Chapters may include a 2 hour public presentation of their projects. See Lot Z below. **Presentations shall be scheduled at the FFA Office or with the Division Superintendent.** Both lots must be completed to be eligible for the Outstanding Chapter award.

HORTICULTURE DIVISION

Mary Brown, Lincoln – Superintendent

**GENERAL RULES
FOR CLASSES 8001-8008 & 8100**

1. All exhibits shall be displayed in space provided by the directors and superintendent of the FFA Horticultural Division. Haul-in time for classes 8001-8008 & 8100 is specified in the Calendar of Events in the front of this book. Exhibits will not be released prior to 7 p.m. on Tuesday without permission from the superintendent or manager. Exhibits not claimed by 9 p.m. will be discarded.
2. For classes 8010 & 8011, haul-in time is as specified in the Calendar of Events.
3. No commercially grown plants shall be entered in the general FFA plant show. All horticulture exhibits shall be grown or made as a part of the instructional program or supervised agricultural experience program of the FFA.
4. Students must have personally managed their exhibits.
5. Landscape exhibits may use commercially grown plants.
6. Containers shall be commercial plastic containers or appropriate decorative containers. Wooden hanging baskets may be used. Decorative containers shall be considered only to the degree that they detract from the appearance of the plants.

7. Exhibitors shall fill out the provided tags giving the common and scientific names of all plants entered. No blue ribbons will be awarded if the plant(s) are not correctly identified.
 - a. Instructors should not fill out the tags for the students at the fair.
 - b. This does not apply to design and floral division entries.
8. Exhibits shall be free of contaminating insects and disease. The Superintendent or designee may reject any exhibit with visible contamination.
9. Exhibits shall not be removed from the display table or racks until released by the Horticulture Superintendent or proper designee. Prior removal shall be cause for loss of ribbons and premiums.
10. Exhibits of individual plants shall be limited to one of any one variety and two of any one genus. Design and Floral divisions shall be limited to one entry per person per lot. No more than 2 entries per person per lot in other classes.
11. Chapters will be responsible for watering their own plants.
12. Chapters with exhibitors that exhibit hanging baskets are recommended to bring display stands for the plants.
13. Please pay special attention to the quantity of fruits/vegetables. Exhibits will be disqualified if there are too many or too few items as described for each class/lot.
14. Please trim and wash fruits/vegetables, as appropriate, to make an attractive display.
15. Ribbons will be in the form of stickers on corsages and boutonnieres.
16. Chapters who enter more than 10 items of the same lot or theme, i.e., 10 corsages, 10 bud vases, etc. must include a Display Card, with each group that is prominently displayed in order to qualify the entries for premium points. The Display Cards will be furnished by the FFA Exhibition. They identify the exhibits for the public, and describe their importance or relation to agriculture. **Display Card sample is shown at the end of this book.**

AGRI-SCIENCE DIVISION

Gary Hibbs, Emerald Ridge - Superintendent

The Washington State Fair and Washington State FFA Exhibition have designated space to be used by the FFA to show their efforts in displaying Agriculture Science materials that have been built or put together by members of agriculture education classes.

1. All Agriculture Science exhibits will be brought in as shown on the Schedule of Events.
2. Exhibits must be removed the last day of the fair.
3. All entries must be products of active FFA members enrolled in Agriculture Education classes. Small posters should be done by one individual, larger tri-folds and display boards may be group projects.
4. Projects must be complete.
5. Chapter advisors are responsible for arranging and marking their chapter display. Please let the manager or superintendent know about chapter displays before the Fair.
6. The Danish system will be used in judging the Agricultural Science Exhibits.
7. All entries must be clearly and neatly marked with entry tags and display cards obtained from the Division Superintendent.
8. Chapters may be asked to assist with exhibits.
9. The Agricultural Science Superintendent and/or Fair Management will disqualify projects that do not meet standards of quality workmanship that proudly represent the FFA program and the Agricultural Science industry.
10. All displays will be attractive, technically correct and educational to the public. The "Scientific Method" shall be evident and followed.
11. Lettering must be of professional quality (typed or neatly printed).
12. Entries will be screened for quality and appearance when entered. Screening will be based on the same score card as used for judging.
13. Recommended size for display boards is: 36" X 48" .
14. Originality and creativity are encouraged.
15. All entries are exhibited at the exhibitor's own risk.
16. Exhibitors will be paid on no more than two entries per lot.

9. Entry shall exemplify some phase of home landscaping or home beautification, typical of student effort.
10. A final plan and list of plants (legend) must be with the exhibit and displayed in a prominent location. It should be on one piece of standard poster board and 2'x3' maximum in size. ALL MATERIALS MUST BE STUDENT WORK AND IN PLACE NO LATER THAN FRIDAY AT 11AM.
11. **The theme for 2012 (Lot A) is "Raised Beds or Container Gardens"**. A theme for Lot B Landscapes is optional.
12. Landscapes will be judged on the Danish System with rosettes awarded at the judge's discretion. Students are encouraged to be present AFTER the judging to hear the judge's oral reasons.
13. Plaques will be awarded to the grand and reserve grand champions.

EDUCATIONAL PRESENTATIONS DIVISION

In order to develop a greater understanding of the Agriculture Education and FFA program, local members are encouraged to participate in educational presentations.

1. Educational presentations must exhibit some activity relating to the Agriculture Education curriculum, i.e. Forestry/Natural Resources, Aquaculture, Soils, Horticulture, Floriculture, Ag. Mechanics, Ag. Science, Animal Science, or Production Agriculture.
2. Audience participation activities are encouraged.
3. Participants will provide all their own materials.
4. Educational presentations will be given continuously for one hour on the day selected and may be given hourly from 10 a.m. to 6 p.m. Space will be on a first-come, first-served basis. Generally there will be three slots available every hour during the first five days of the Fair and six or more slots available every hour during the remaining days of the Fair. If there is a special need for a specific date/time, please contact the FFA Fair Manager or Assistant Manager. Otherwise, students should check in with the FFA Fair Manager or Assistant Manager ten minutes before the requested time for location assignments.
5. Educational presentations must be rehearsed before Agriculture Instructor before presentation at the Fair.
6. Students or teams will be paid on a maximum of two presentations. Also, if two presentations are given, they must be non-related subjects.
7. The judge or Fair management will disqualify any presentations that do not meet standards of quality that proudly represent the FFA program.
8. Students must be in official dress. Official dress is, at minimum, a collared white shirt/blouse with official tie; black slacks/skirt; official blue corduroy jacket. Individuals may be scored separately in group presentations.
9. A title poster or sign is required.

9360 CHAPTER DISPLAY

Agriculture Science projects will be attractively arranged in one major centrally themed chapter display. The display will be designed to promote education of the Agriculture Science industry for the public. Each display will exhibit a variety of different student and class projects oriented around one central theme. The theme must represent one section of the Agriculture Science industry and will be chosen by the individual chapter. Although size of display area may vary, chapters can plan on a display of 8'x12'. Each display should have a sign informing viewer of display's theme.

1. Each chapter will be required to display its exhibits to promote education of the public. Please let the manager or superintendent know about chapter displays before the Fair.
2. Premium points will be awarded to the chapter for the display.
3. The display shall be constructed in the space allocated by management.
4. Chapters are limited to one entry.
5. Chapters will supply all materials.
6. Display will be made up of entries by chapter members.
7. Chapters may include a 2 hour public presentation of their projects. See Lot B below. Both lots must be completed to be eligible for the Outstanding Chapter award.

DORMITORY RULES

Washington State FFA Exhibition

Dormitory Information

- Dorm space is on a first come, first served basis. Space cannot be reserved in advance.
- Dormitory facilities will be available for FFA exhibitors beginning at 1 p.m. September 14. The facilities will close at 7 p.m. on September 22. The dormitory facilities are located at the south end of the fairgrounds on the second floor of the dog/cat barns. Enter at the Green Gate.
- The use of dormitory facilities is a privilege, not a right. The dormitory supervisor has the authority to request unruly or troublesome occupants to leave the dormitory for the duration of the Fair. If suspended from the dormitory, the Ag. Teacher and/or parent will be notified. Complete rules are on the back of the Application.
- For the safety of all, DO NOT USE anything that could cause a fire in the dorms. Fire regulations prohibit cooking, use of electrical appliances (other than hair dryers, curling irons and razors) and smoking in the dormitories.
- Remember, you are sharing living facilities with your fellow exhibitors. Be courteous and respect the rights of others. Quiet hours are between 10 p.m. and 6 a.m. Overhead lights will be out at 11 p.m. Dormitory doors will be locked at 11 p.m. Ag Teachers and show management must be given the names of those requesting admittance to the dormitory after 11 p.m.
- Help keep the dorms neat and pleasant by keeping bunks orderly and clean at all times. Individuals will be assigned clean-up duty on a daily basis.

What to Bring

- A sleeping bag, pillow, towels and personal care items, including soap.
- Clothes, including your FFA jacket, as well as a sweatshirt or coat in case it's chilly at night.
- Snacks and drinks that do not have to be refrigerated, and a bag for garbage.
- Remember, it is unwise to bring anything of great personal or monetary value. Neither the Fair nor the FFA are responsible for lost or stolen items.

Dormitory Check-in Procedures

- Fill out Dormitory Application and Medical Information Form and bring to the Fair.
- Park in the lot closest to dormitories. Enter at the Green Gate.
- Take personal belongings directly to dorms. You may use the elevator when carrying in your belongings. Check in with dorm supervisor who will direct you to a bunk. If the dorms are filled, you will be able to leave your belongings in the dorm until the overflow dorm is opened for use.
- Have dorm permission slip completed by dorm supervisor. Bring completed forms to pass/dorm office for validation and payment. Your space is not confirmed until payment has been made.

Dormitory Rules

- Lights out is at 11 p.m. and doors are locked at 11 p.m. Anyone requesting admittance after 11 p.m. will be reported to the FFA Exhibition Manager.
- Showers are allowed from 6 a.m. - 11 p.m. Shower facilities are available for resident of overflow dorm in the main dormitories between 6 a.m. and 10 p.m. Exhibitors have priority.
- Elevator may be used by dorm residents for carrying belongings to and from the dorms and in case of physical limitations. Please use stairs at all other times.
- Enter and exit through designated dorm doors only. Additional doors in each dorm are restricted to emergency use only.
- No loitering on balcony or hanging over railing.
- Keep your bunk and immediate space clean and tidy. Clean up behind yourself in bathrooms.
- Refrigerator space is reserved for use by dorm supervisors and kitchen activity participants.
- Dorm supervisors should be informed of any bunk changes because of to need to locate occupants in an emergency.
- Please roll up sleeping gear and prepare luggage for leaving on the morning after your last night in the dorm. This will indicate to incoming occupants that your bunk is available.
