PYGMY GOAT SHOW RULES

2. Online entry registration due by 10 pm, Sept. 3, 2014. Entry fee is \$5.50 per head and are due at time of online entry registration.
3. Read animal health rules; link on page 1 of this book.

Exhibitors must submit vet check-in slip to the superintendent of their livestock department in order to proceed to livestock barn. NO EXCEPTIONS.

4. **PLEASE NOTE NEW TIME AND NEW PLACE:**
Goats must be delivered to Livestock Barn H, Friday, September 19 between 6 am and 8 am to assigned pens. A map of pen assignments will be posted. If there are any questions, check with the superintendent.
5. All animals must remain in barns until their designated release time as set by the Fair and department superintendents. Failure to do so could result in forfeiture of premium money and, potentially, the privilege to show at future Washington State Fair livestock shows. All exhibitors should make every effort to vacate their stalls as soon as possible after being released, during the designated time, to facilitate barn cleaning prior to the arrival of other animals.
6. Goats must be removed after 8 pm on Sunday, September 21, 2014, no earlier, or before noon on Monday, September 22. NO EARLIER.
7. Judging will take place at 10 am on Saturday, September 20 in Arena.
8. With the exception of wethers, a registration certificate is required for any animal shown in this sanctioned show. Only original registration certificates will be accepted.
9. Group entries must be listed on entry form. All animals shown in groups must be entered and shown in individual classes.
10. All animals will be inspected by the Washington State Fair veterinarian before being penned. No animals with any type of infectious diseases will be allowed. The Fair veterinarian will have the final say. The Washington State Fair requires all goats to be tagged or tattooed with scrapie identification. Animals having partial tattoos shall have accompanying identification papers.
11. Upon arrival please turn in your original registration papers (NO COPIES) to the show secretary. All tattoos must be legible (clearly readable). No tattooing will be allowed after unloading. Wethers need not be tattooed. Microchips are okay on all goats.
12. Only animals to be shown will be allowed. No nurse does. No newborn kids unless born during transport.
13. 4-H dormitories at the Washington State Fair will be available for use by 4-H State Fair/State FFA

Exposition exhibitors and their chaperones ONLY.
Open class exhibitors should make arrangements for accommodations off of the grounds.

14. The hay and straw storage shed will not be open to exhibitors. Please order hay and straw from your superintendent before 6 pm for the following morning's requirements. Hay and straw bales shall not be used for purposes other than feed and bedding.
15. Animals may not be walked on or off the grounds because of serious environmental concerns directly related to animal waste. Any animal (except horses) that cannot be transported in a solid bottom carrier must be removed in a truck, trailer or similar conveyance.

16. **Eating in the Barns vs. E. coli O157:H7 – Exhibitor Cooperation Needed.**

Again this year our barns will not only have signage reminding Fair guests to "Wash your hands upon leaving any livestock area", but also "Please refrain from eating in livestock areas."

The State Health Department has asked the Fair to request that our livestock exhibitors set an example for Fair guests and refrain from eating in most areas of the barns. In order to accommodate the Health Department's request, as well as address our exhibitor's needs, we have set aside an area, screened from public view, in the south end of the dairy barn where exhibitors may eat.
