SHEEP SHOW RULES

1. **New Rule: An exhibitor must enter a minimum of four (4) sheep in one breed to have their entry accepted.**

New Rule: Please look at the divisions/breeds. For 2014, only those breeds listed will be accepted.

Entry fees must be paid at the time you submit your online entries (\$5.50 per head). ANY CHANGE IN ENTRIES MUST BE MADE WITH THE SUPERINTENDENT BEFORE THE DAY OF SHOWING. SUBSTITUTIONS MAY BE MADE ONLY WITHIN THE SAME BREED AND CLASS. Entry fees will not be refunded unless superintendent is presented with a veterinary certificate stating health reason for cancellation.

2. All out-of-state sheep and goats are required to have a Certificate of Veterinary Inspection, and all rams require an entry permit number. All sheep must have official Scrapie Identification. Sheep from Oregon and Idaho on a round trip of 96 hours or less are exempt from the requirement of a Certificate of Veterinary Inspection, provided the Fair management furnishes veterinary inspection on arrival and rejects any unhealthy animals. For stays longer than 96 hours, they must meet the Washington state import requirements.

All animals must meet Fair health requirements. Fair veterinary personnel will examine all entries and exhibition animals to insure freedom from ectoparasites and symptoms of contagious or infectious diseases before animals are penned. **Blankets/Covers on sheep must be removed for veterinary inspection.**

Exhibitors must submit vet check-in slip to the Superintendent of their livestock department in order to proceed to livestock barn. NO EXCEPTIONS.

Please see the link for the veterinary regulations for out-of-state **exhibitors** in the front of this book.

3. Animals are to be delivered to assigned pens **between noon and 8 pm on Wednesday, September 17, 2014. Any late arrivals must be cleared with the superintendent, or space will be forfeited at 8 pm. Please call the Fair's Competitive Exhibits Office, (253) 841-5074 if you will be late or will be scratching your entry. Due to space constraints, penning will be very full for 2014. There will be a waiting list managed by the superintendent.**

PLEASE...Check your registration papers with the superintendent staff AS SOON AS YOUR SHEEP ARE STABLED.

4. All animals must remain in barns until their designated release time as set by the Fair and department superintendents. Failure to do so could result in forfeiture of premium money and, potentially, the privilege to show at future livestock shows. All exhibitors should make every effort to vacate their stalls as soon as possible after being released, during the designated time, to facilitate barn cleaning prior to the arrival of other animals.
5. Sheep must be removed from pens after 10 pm on Sun., September 21, 2014 or **by noon on Monday, September 22, 2014.** Any arrangements made by exhibitors for sale or delivery of animals must be transacted off the grounds, and sheep cannot be left in pens for pick up.
6. Straw for bedding and hay will be provided by the Fair. First straw will be in the barn. The hay and straw storage shed will not be open to exhibitors.
NOTE: The superintendent recommends exhibitors bring first night's feed with them. Please order hay and straw in writing from your superintendent before 6 pm for the following morning's requirements. Hay and straw bales shall not be used for purposes other than feed and bedding.
7. Exhibitors will receive four one-day gate passes for each five head entered.
8. SHEEP MAY NOT BE BLANKETED BETWEEN 9 AM AND 10 PM, EXCEPT BEFORE THEY ARE SHOWN.
9. All sheep and goats (including lambs and kids over 90 days) must be registered by the appropriate association and have ownership recorded in the name of the exhibitor no less than 30 days before show date. ALL ENTRIES MUST HAVE THE EAR TAG OF THE BREED ASSOCIATION IN EAR.

10. Animals must be entered and shown in the name of the registered owner.
11. There will be a limit of two premiums in the individual classes, and one premium in the group classes, per exhibitor. An exhibitor is defined as any individual or farm or partnership in whose name the sheep is registered.
12. The base date for birth dates shall be September 1. Animals must show appropriate lamb or yearling teeth. If there is a doubt of the age of any animal, the judge will decide age by examining the teeth of that animal.
13. LAMBS WILL BE DIVIDED INTO FALL AND SPRING DIVISIONS, EXCEPT WHERE NOTED (i.e. Specials). DATES ARE AS FOLLOWS:
For the following breeds:
Columbia - Corriedale - Dorset - Shropshire
Hampshire - Rambouillet - Suffolk
Fall Lambs: September 1 to December 31
Spring Lambs: January 1 to August 31
All other breeds are:
Fall Lambs: September 1 to January 31
Spring Lambs: February 1 to August 31

An individual exhibitor may enter a total of eight sheep per breed, whatever sex or age; lamb or yearling.

14. All sheep and goats entered in flock, get, or pair lots must also be entered in an individual lot. Get of Sire and Young Flock must be bred and owned by the exhibitor. One "BEST PAIR" entry per exhibitor.
15. Any breed with only one exhibitor will automatically go into Division 3400 "OTHER WOOL BREEDS" or Division 6000 "OTHER MEAT BREEDS". If two or more exhibitors of a breed are entered in Division 3400 or 6000, with a total of at least 10 head, they will form their own division. PLEASE CHECK POSTED SHOW SCHEDULE TO CONFIRM WHEN 'OTHER' BREEDS ARE TO BE SHOWN.
16. PLEASE NOTE: NCWGA has Class Divisions A & B. Animals for group classes may not be interchanged between divisions A and B to create a Best Pair, Young Flock, Flock, etc. They must be shown in the division in which the individual animal was entered.
17. All sheep and goats should be clean and well fitted. **Animals should be fit in accordance with individual registry association rules.** Animals not in show-worthy condition will not be allowed in the barn.
18. All judges' decisions will be final. Judges may disqualify any entry for just cause, and may reassign entries to categories as seem proper to the judge.
19. Winners of "Young Flock" must show in the competition for the Washington State Cup.
20. Open class exhibitors must make their own arrangements for accommodations.

21. **Animals may not be walked on or off the grounds** because of serious environmental concerns directly related to animal waste. Any animal (except horses) that cannot be transported in a solid bottom carrier must be removed in a truck, trailer, or similar conveyance.

22. **Eating in the barns vs. E. coli O157:H7 – Exhibitor Cooperation Needed.** Again this year our barns will not only have signage reminding Fair guests to "Wash your hands upon leaving any livestock area", but also "Please refrain from eating in livestock areas".

The State Health Department has asked the Fair to request that our livestock exhibitors set an example for Fair guests and refrain from eating in most areas of the barns. In order to accommodate the Health Department's request, as well as address our exhibitors' needs, we have set aside an area, screened from public view, in the south end of the Dairy Barn where exhibitors may eat.
